2021 TOURS

Greeting Travel Friends!

I hope everyone weathered Covid-19 okay. Hopefully we are on the right track to eliminate it with the vaccine. I'm going to start slow in 2021 with just a few trips. If that goes well, 2022 will be a busy year. I have missed seeing everyone. Please look over the trips I am offering this year and let me know which ones you are interested in. I will continue to work hard to give you the most for your traveling dollars. Just a reminder, I do offer travel/cancellation insurance. If you would like to purchase insurance on any trip, just give me a call for quote. **Please make your reservations as early as possible. Hotel and attraction tickets must be purchased months in advance.** Thanks for traveling with me. I appreciate your business and look forward to hearing from you.

Cruise The Blue Danube Riviera River Cruises MS William Wordsworth Oct 29 – Nov 7, 2021

Soak up all that Europe's most cultured river has to offer, with its wealth of grand baroque architecture, medieval cities, picture perfect towns and the sights that inspired Strauss and Mozart. Stepping aboard you will appreciate the superb surroundings of your floating luxury hotel for the next seven nights with spacious and well-appointed cabins or suites, private bathrooms and meticulously prepared fine cuisine.

From Budapest, we slip our moorings and head on our journey north to Esztergom spending the morning exploring its historic center, which once was Hungary's capital, before continuing westwards to the beautiful old town of Bratislava, the capital of Slovakia. Navigating through Lower Austria we then reach the romantic town of Dürnstein, where Richard the Lionheart was imprisoned, having been shipwrecked on his return from the crusades. After we visit the remarkable monastery in Melk, with its 200m long Emperor's Gallery, lined with portraits of Austrian emperors. Soon we arrive in Linz where we take the short drive to Salzburg. During the guided tour of the old town we will see the imposing fortress Hohensalzburg towering over the city and of course the birthplace and residence of Mozart, Salzburg's most famous citizen. On our way back eastwards we will reach classical Vienna, home of Strauss and many great composers. This city offers up so much wonderful architecture as well as a host of other things to see including the Spanish riding school.

Finally, cruising into Hungary, we arrive back in imperial Budapest, straddling the picturesque Danube. After a guided tour of this palatial city we spend the evening on board, where the Captain hosts another spectacular dinner, an excellent finale to this most exceptional and relaxing cruise.
